Model 90 WLVC4

By General Packaging Equipment Company

DRAWBAR BY GENERAL- 70,80,90

General has built these exceptionally rugged and productive models for over 50 years. Drawbar machines have performed reliably for decades with a minimum of down time and maintenance costs. Products packaged on General drawbar machines range from chemical products to cooking ingredients.

Features:

- Rugged frame welded with 1/2" thick top, center, and bottom decks and 1/4" thick formed side panels
- Simple drive with adjustable crank arm
- Hydraulic operation contained within the machine for optimal space
- High sealing pressure
- Energy conserving for more run time and less down time
- Multiple filler options available
